

Glenmoore Village Enhancement Committee

Meeting Minutes

Meeting: November 24, 2014, 8:00 AM
Wallace Township Building

PRESENT

John Miller
Scott Junger
Rob Jones
Brian Funk

The minutes from November 10, 2014 were reviewed and approved.

A discussion occurred on the feedback from the flyer that went out in the mail after the last meeting. Mr. Funk brought our attention to the fact that the flyer did not go to several affected property owners. Specifically the landlords of rental properties that do not live in the Village were not included.

Action: Mr. Miller will ask Ms Randzin to send flyers to the five property owners that Mr. Funk listed after the meeting adjourns.

The committee reviewed the power-point presentation prepared by Mr. Miller from the rendering presentation and from other photos taken by Mr. Miller, in preparation for the December 8, 2014 meeting that was advertised in the mailed flyer. The room setup was also discussed. Mr. Miller mentioned two ideas that renderings might be helpful as part of the presentation: improved driveway aprons, and fences.

Action: Mr. Jones will ask Castle Valley if it is possible to obtain two more examples before the December 8th meeting.

Action: Mr. Juenger will follow-up with Ms. Morley to begin discussions with the Ashlea HOA regarding concerns of the existing pathway to Wagenseller Park and also the open space area.

Next meeting will be held on December 8, 2014, 7:30 PM at the Wallace Township Building.
