group shall be required to submit a nonrefundable application fee of \$20.00, together with a security deposit of \$100.00. If an applicant requests to utilize the meeting room on a recurring basis, he/she/it is required to submit a nonrefundable application fee of \$50.00, together with the above-referenced \$100.00 security deposit. The security deposit shall be applied against any costs that the Township is required to incur in cleaning or making repairs the Township building and/or meeting room as a result of a group's meeting. All remaining portions of the security deposit, if any, will be returned to the applicant by the Township within thirty (30) days after the conclusion of the meeting (or, in the case of recurring meetings, after the last scheduled meeting). In addition to the above, an applicant seeking to use the meeting room outside of regular Township office hours is responsible to pay an additional fee of \$50.00 per hour. The above-fees and deposit may be waived by the Township in its sole discretion for not-for-profit groups (such as the Boy Scouts and Girl Scouts) that establish that they have provided a minimum of ten (10) hours of community service to the Township in the past calendar year.

O. TOWNSHIP PARK USE FEES. See the Township's Park Use Policy, Ordinance No. 2013-01, as modified herein:

1) Pavilion:

The pavilion in Wagenseller Park may be reserved for use by residents of the Township. The nonrefundable application fee for reserving the Wagenseller Park Pavilion is \$50.00 for the first two (2) hours, together with a refundable security deposit of \$25.00. To the extent that a resident reserves and/or utilizes the park for longer than two (2) hours, an additional nonrefundable fee of \$25.00 per hour is required. The above-fees and deposit may be waived by the Township in its sole discretion when the pavilion is being reserved for not-for-profit groups (such as the Boy Scouts, Girl Scouts and GGS) that establish that they have provided a minimum of ten (10) hours of community service to the Township in the past calendar year.

2) Athletic Fields:

The athletic fields in Wagenseller Park may be reserved in two (2) hour increments for use by residents and associations in which residents are active members/participants. The nonrefundable application fee for reserving the fields is \$100 per two (2) hours (without lighting) and \$200 per two (2) hours (with lighting). A refundable security deposit of \$50.00 is also required. GGS Glenmoore Girls Softball is hereby designated as the Host League for Wallace Township, and shall not be required to submit the above-referenced application fees given the field maintenance services provided by GGS. As Host League, the Township also affords GGS preference in event scheduling, noting that discretion as to scheduling is ultimately left with the Township.

Reservations are subject to denial if they conflict with other events at the Park, use of the fields by other organizations, or, with respect to a request for lit fields, with Township staffing schedules. The above-fees and deposit may be waived by the Township in its sole discretion when the Park is being reserved for not-for-profit groups (such as the Boy Scouts, Girl Scouts and GGS) that establish that they have provided a minimum of 100 hours of community service in the Township, and approved by the Township, in the past calendar year. The rented athletic

fields must be cleaned and raked after use, with all trash deposited in receptacles, failing which the deposit shall be forfeited. Any damage to the Township equipment or fields must be immediately reported to the Township.

P. LATE PAYMENTS; RETURN CHECK FEE. Any outstanding balances (i.e., those accounts with a past due amount greater than 30 days) shall be subject to the accrual of interest at the rate of 1 ½ % per month. Any returned checks shall be subject to a fee in the amount of \$50.00.

2. The Board of Supervisors reserves the right to charge the hourly rate for consultation and inspection by the Township Engineer or Township consultants, when necessary, in addition to the applicable permit fees.

3. For any building that was destroyed by fire or other "Act of God," the fee for **rebuilding on the same foundation** shall be reduced to 75% of the calculated fee for "new construction" as listed.
